

PAPER RECYCLING PUBLIC SERVICE ANNOUNCEMENT

30 Seconds

Recycling paper saves money and saves the earth. Want to reduce global warming? Start by recycling paper – all kinds of paper. It's not just newspapers anymore.

Recycle your magazines and catalogs...your mail...phonebooks...cardboard...cereal boxes...and office paper -- even reports with paperclips and staples.

Please recycle and do your part to save money and save the earth. For more info, visit www.MassRecyclesPaper.org.
