

Take the Paper Recycling QUIZ!

TRUE or FALSE?

1.

Magazines, brochures and pamphlets are recyclable – even those made with glossy paper.

2.

Staples and paper clips do not need to be removed from paper before recycling.

3.

Cereal boxes, envelopes, office paper and unwanted mail were used to make the cover of the 7th Harry Potter book, *Harry Potter and the Deathly Hallows*, at a Massachusetts paper mill.

4.

Last year Massachusetts saved over 5.9 trillion BTUs of energy by recycling paper -- enough to power 550,000 homes for one year.

5.

Massachusetts residents & businesses throw away 1.5 million tons of paper each year, enough to fill Fenway Park with a mound as tall as the Prudential Center.

ALL OF THE ABOVE STATEMENTS ARE TRUE!
